

**BARN LIGHT**  
ELECTRIC COMPANY.®

**NEW&NOTABLE**  
VOL 01

**TIMBER  
& ORE**  
CARVED COLLECTION

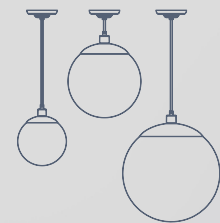

Featuring some of our most imaginative designs, the Timber & Ore Collection offers captivating new looks thanks to its partnership between wood's organic character and metal's intrinsic strength.

## GLASS BALL PENDANT

Upscale or relaxed. Traditional or modern.  
No matter what style, the Glass Ball Pendant  
is a welcome addition to every décor.

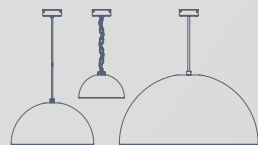

# LOMA

OVERSIZED COLLECTION

Playful yet sophisticated.  
Contemporary yet still timeless. With  
its modern curves and shade sizes ranging  
from 12 to 36 inches, the Loma is designed  
to make a statement in any décor.

THE  
**PARABOLIC**  
CHANDELIER

Every space needs bold, dramatic decorative features and, with its large-scale profile and dozens of finish options, the Parabolic is guaranteed to stand out.

THE  
**CHICKEN  
WIRE** PENDANT

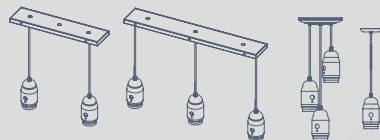

Discovering an imaginative new purpose for an agricultural staple, the Chicken Wire Pendant brings a touch of farmhouse charm to any location.

## MIG COLLECTION

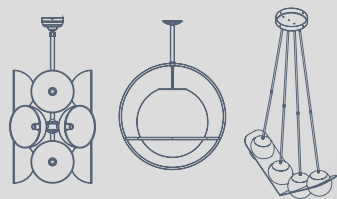

Upcycling at its most creative,  
the Mig repurposes the tops of  
acetylene tanks to create an authentic  
industrial aesthetic.

## CUSTOM LIGHTING

If you can dream it, we can build it. From minor tweaks of existing designs to entirely new creations, we embrace the challenge of bringing your custom designs to life.

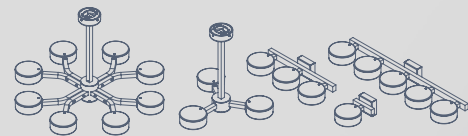

COMING SOON!

# COSMOS

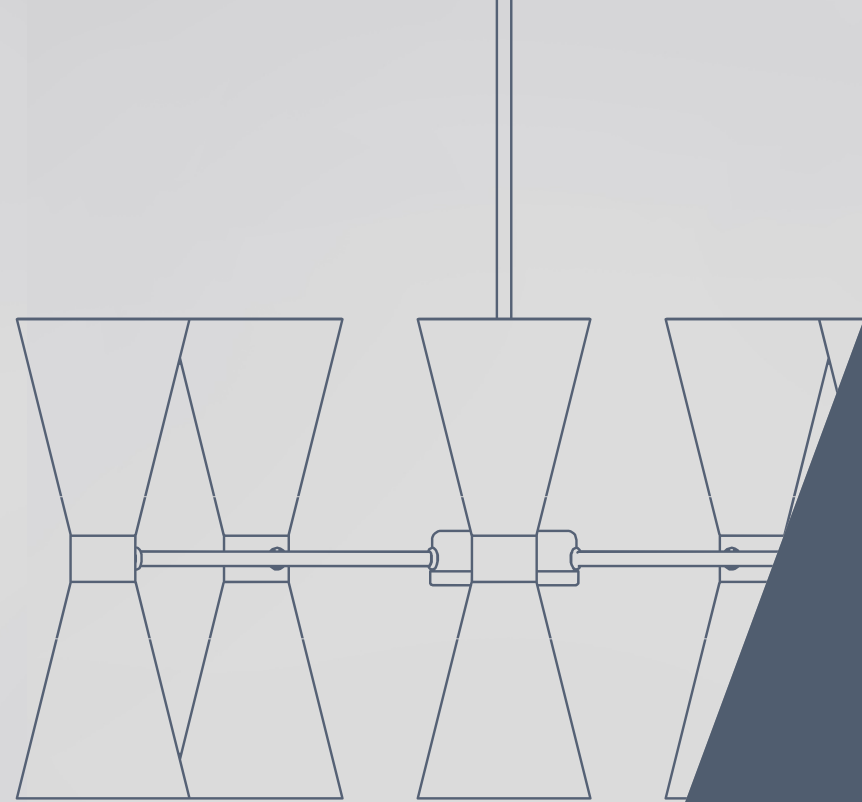

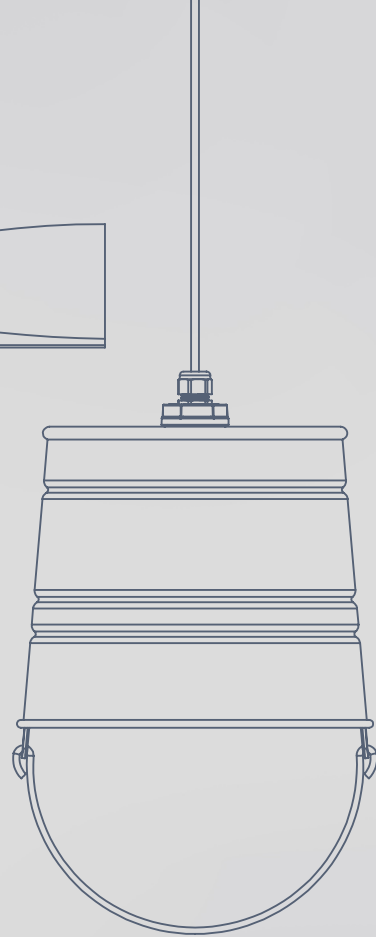

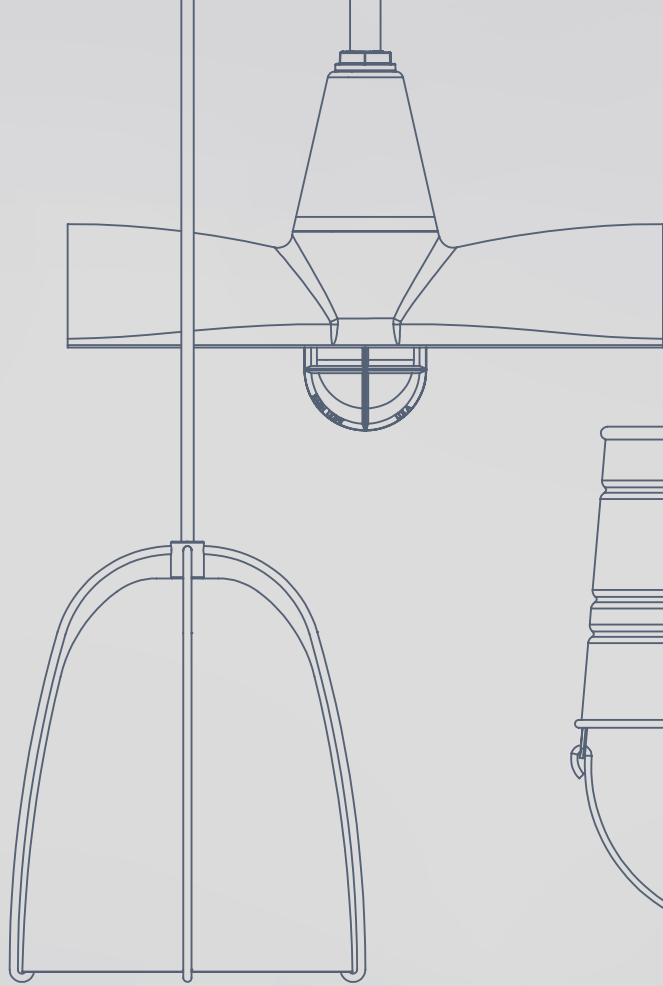

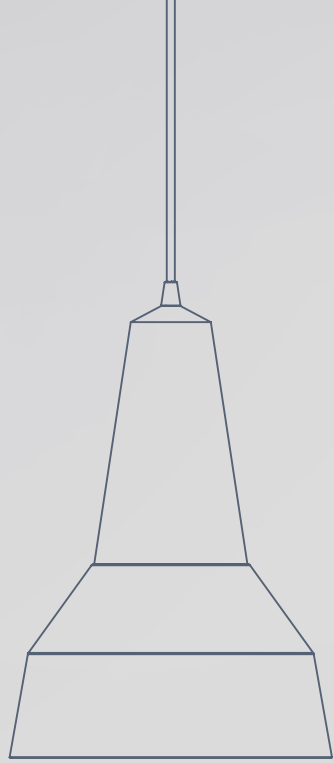

COLLECTION

Modern designs for today's décors.  
The Cosmos Collection adopts sleek lines and simple profiles to create eye-catching displays of illumination and style.

## GOOD THINGS

FOR THOSE WHO WAIT...

Stay tuned for more!  
At Barn Light Electric, we're constantly  
dreaming up imaginative new lighting styles  
and discovering fresh applications for our  
vintage-inspired favorites.
