ELECTRIC COMPANY.®

AUTO-POPULATED SPECIFICATION SHEET

## IMPORTANT

This tutorial provides step-by-step instructions for generating an auto-populated spec sheet on our website. Some older spec sheets may not auto-populate. If this occurs, you will receive a blank spec sheet, which you can fill out manually.

Iconic, versatile, and indescribably fashionable. There's a reason the Original™ is seen as a modern classic. Thanks to its timeless profile and vintage-inspired lines, this RLM shade has become a popular decorative feature in homes and businesses throughout the country. The Original's™ adaptable aesthetic complements today's most popular styles, ranging from the trendy modern farmhouse look to refined contemporary spaces.

With roots in the vintage lighting styles, The Original™ celebrates iconic RLM warehouse shades. While this design dates back to the early 20<sup>th</sup> century, this pendant light complements the latest styles and trends favored in contemporary settings. Suspended from a fashionable cord, The Original™ contributes character installed above tables or throughout a home or business.

As American made lighting, The Original™ embraces a meticulous

- This American-made RLM warehouse shade embraces commercial-grade metals and our attentive, hands-on manufacturing process, resulting in a long-lasting industrial pendant.
- Looking for something bigger? Check out this fixture in [oversized!](#)
- Made-to-order, learn more about the process [here](#).
- Read more about The Original™ Warehouse Pendant over on our [blog!](#)

## Step 2

After customizing your fixture options, select “Spec Sheet” to generate the document.

---

## Step 3

Select the “Auto Fill PDF with My Options” Checkbox.

---

## Step 4

Optionally, enter the Job Name and/or Fixture Type, which will also populate automatically on the spec sheet.

---

## Step 5

Once you have entered these optional details, select either “Download PDF” or “View in Browser” to access the spec sheet.

The screenshot shows a product configuration interface for a pendant light. A modal window is open, asking "How would you like to receive the file?". The modal includes a checked option for "Auto-Fill PDF with My Options", a "Job Name" field with the value "Test Job Name", and a "Fixture Type" field with the value "Test Fixture Type". Below these fields are two buttons: "Download PDF" and "View In Browser", with the latter highlighted by an orange circle. A "Close" button is at the bottom of the modal. The background shows product options like "CORDS", "CEILING CANOPY FINISH", "SHADE ACCESSORY", "GLASS OPTION", and "GUARD FINISH". At the bottom, there are buttons for "Add To Wish List", "Add To Cart", "SHARE PRODUCT", "SPEC SHEET", "PRINT", "EMAIL", "Pinterest", and "affirm Pay over time".
